LATE CANCELLATION, LATE RESCHEDULING AND NO-SHOW POLICY

We understand that situations arise when you must cancel or reschedule your appointment. It is requested that, if you must change your appointment, you provide more than 24 hours' notice. This will enable another person who is waiting for an appointment to be seen. If you cancel or reschedule your appointment with less than 24 hours' notice, we are unable to offer that appointment time to another patient.

Office appointments which are canceled, rescheduled, or not confirmed with **LESS** than 24 hours' notice will be subject to a **\$50.00 cancellation fee**.

Patients who do not show up for their appointment or do not confirm the day before will be considered a **NO SHOW** and will be subject to a **\$50.00 no show fee**. Patients who no show two (2) or more times in a 12-month period may be dismissed from the practice and will be denied any future appointments.

The late cancellation, late rescheduling, no confirmation, and no-show fees are the sole responsibility of the patient and must be paid in full before the patient's next appointment.

Our practice firmly believes that a good physician-patient relationship is based upon understanding and good communication. Questions about late cancellation, late rescheduling and no-show fees should be directed to the Office Manager at (321) 241-6535.
